Diana –
Looks like you might have 11 ad hocs to consider:

1. Everitt, Sheppard, Taioli, Crump, Taioli, and Neuberger (bios/CVs -most attached) all reviewed and signed by Hayley. All are hired except Everitt and Neuberger who need to complete the HR paperwork. Don't think you had selected Neuberger, but he served on the SAB Asbestos panel in 2012.
2. Under review Van Gosen, Harris, and Herrick. Waiting for Yang.
3. No word from Elizabeth Pavlisko.
4. Next week - "hold the date" e-mail – go over with Steve Knott.
